Assignment 1

Data Wrangling and Visualization

Prof. Jack Reilly

F2025

Instructions

Answer all questions. Please upload your assignment to **Blackboard** as a PDF.

Questions

1. What is your name and program of study at Syracuse?
   (Optional: provide your pronouns, if you wish.)

2. What is your prior experience with statistics and data analysis?

3. What are you hoping to get out of this class?

4. Please include a picture of yourself!

   - It can be anything – just make sure that you are the only person in the picture so I can clearly identify you.
