Week 9: Data Retrieval

Data Wrangling and Visualization

Prof. Jack Reilly

F2025

Due This Week: Practicum 1

Lecture: Advanced Workflow and Data Retrieval

Readings & Reference Material

- Databases

    - **DMSS**, ch 8
    - **RDS**, ch 21

- Data Sources

    - The GSSR package
    - The tidycensus package

- Advanced Programming

    - **FCSP**, ch 4
    - **RDS**, ch 12-19. *Much contained here is already duplicative of material we have previosuly covered (see: joins, missing values, etc), but much is new. As usual, use it as a reference*

Computational Work

- Sign up for a US Census API Key

Due Next Week: Problem Set 8
